

# HOW TO GET RID OF DARK CIRCLES UNDER EYES

1

## Cucumber Slices

Cucumber's cool, soothing properties reduce puffiness and hydrate the skin under the eyes.

2

## Cold Tea Bags

Used tea bags (green tea or chamomile) have properties to reduce dark circles

3

## Almond Oil + Honey

Almond oil, rich in vitamin E, lightens dark circles when applied before bedtime.

4

## Coconut Oil

Gently massage coconut oil under your eyes before bed to reduce dark circles.

5

## Mint Leaves

Mint's menthol increases blood flow, decreases dark veins, and lightens skin.

6

## Potato Slices

Apply potato juice under your eyes daily to lighten the skin.
