

HOW TO GET RID OF FRIZZY HAIR?

Say goodbye to frizz with these natural remedies!

Coconut Oil Treatment

Apply warm coconut oil from roots to ends. Leave on for 30 mins before shampooing. Use once a week with sulfate-free products

Apple Cider Vinegar Rinse

Mix ACV and water, apply after shampoo. Leave for a few mins before rinsing. Use weekly for smooth, shiny hair.

Aloe Vera Gel

Apply fresh aloe vera gel to damp hair. Massage into scalp, leave for 30 mins. Moisturizes for long-term frizz reduction.

Banana Hair Mask

Mash a ripe banana with honey. Apply to damp hair, leave for 30 mins. Nourishes and reduces frizz.

Yogurt & Honey Mask

Mix plain yogurt with honey. Apply to clean, damp hair for 20-30 mins. Leaves hair soft, smooth, and manageable.

Avocado Mask

Mash avocado with honey and coconut oil. Apply to damp hair, leave for 30-45 mins. Hydrates and improves hair health.

Beer Rinse

Spritz room-temperature beer onto damp hair. Massage, let sit, then rinse with cold water. Nourishes for smoother locks.

Egg Mask

Whisk an egg with olive oil. Apply to damp hair, leave for 20-30 mins. Strengthens and moisturizes for frizz-free hair.
