

HOW TO REMOVE SUN FAN IMMEDIATELY

LEMON JUICE

Lightens skin with citric acid. Apply directly or mix with honey, turmeric, or cucumber juice.

ALOE VERA GEL

Reduces inflammation and moisturizes. Apply fresh gel or mix with lemon or cucumber juice.

CUCUMBER

Soothes and hydrates. Apply grated cucumber juice.

POTATO

Lightens skin and fades tan lines. Apply raw potato juice.

TOMATO

Lightens skin with antioxidants. Apply ripe tomato paste.

TURMERIC

Reduces redness and fades tan lines. Mix with milk or yogurt.

HONEY

Moisturizes and soothes. Apply a thin layer of honey.

PAPAYA

Exfoliates and promotes new cell growth. Apply mashed papaya.

SANDALWOOD PASTE

Cools and soothes. Mix with rosewater or water.

YOGURT

Exfoliates and reduces tan lines. Apply plain yogurt.
