

HOW TO REMOVE FACIAL HAIR?

7 Best Home Remedies

Oatmeal and Banana

Exfoliate and remove unwanted hair naturally with this scrub; oatmeal exfoliates, and bananas hydrate

Honey and Lemon

Use this combination to lighten and remove facial hair; honey and lemon are natural remedies

Egg White Mask

Egg whites work as a natural adhesive to remove hair and nourish the skin.

Turmeric and Milk

A mixture of turmeric and milk helps eliminate facial hair; use twice a week for results.

Papaya and Turmeric

Papain in papaya weakens hair follicles, combined with turmeric for hair reduction.

Sugar and Lemon

Create a natural wax with sugar and lemon juice to remove hair; use once or twice a week.

Onion and Basil

Inhibit hair growth and weaken follicles with basil and onion juice; apply 2-3 times a week.
